7TH LIVERPOOL PAEDIATRIC NEUROSURGERY MASTERCLASS

Thursday 23rd and Friday 24th November 2017
NEW VENUE – The Shankly Hotel
Millennium House, 60 Victoria Street
Liverpool, L1 6JD

INTRODUCTION

For the seventh year running we are proud to announce our Paediatric Neurosurgical Masterclass, to be held in a new, exciting venue!

Last year the meeting reached its largest audience, which attracted European attendees across the two day event including consultants, fellows, registrars, nurses and allied health professionals.

The meeting covers a broad range of topics including current issues, general paediatric neurosurgery subjects and cases of rare, interesting or developing conditions.

The meeting has been taught by a very distinguished faculty from across the UK and Europe including surgeons, radiologists, physicians, academic professors and biomedical engineers.

The programme is still in development and will be circulated with more details in the coming months as speakers are finalised. In keeping with the requests of our delegates we use a variety of teaching styles including didactic lectures, case presentations, round table debates and guidance on neurosurgical techniques.

Please check our website for more information as it unfolds.
